Section 1 – Introduction

This directory provides a list of HealthSun Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Members should use this directory when selecting a network provider from whom they want to receive services from. There are certain specialty providers that will require a referral from your Primary Care Physician. This directory also includes basic information about how to get covered services with HealthSun Health Plans. Please refer to your Evidence of Coverage, Chapter 3 and Chapter 4 for a full description of services.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). Generally, you must get your health care services from your PCP.

Choosing your Primary Care Physician (PCP)

What is a "PCP"?

When you become a member of HealthSun Health Plans you must choose a network provider to be your PCP. Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider. For more information on PCP's and referrals, see your Evidence of Coverage in Chapter 3.

Getting care from your PCP

Normally, you first see your PCP for most of your routine health care needs. There are only a few types of covered services you can get on your own, without seeing your PCP first. Your PCP can also help you arrange or coordinate your covered services. These services include x-rays, laboratory tests, therapies, specialists, hospital admissions, and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. In some cases, your PCP will need to get prior authorization (prior approval) in order for you to obtain services. Since your PCP will provide and coordinate your healthcare, you should have all of your past medical records sent to your new PCP's office. The law requires us to protect your privacy of medical records and personal health information. For more information about privacy, see your Evidence of Coverage.

How do you choose a PCP?

You will receive a HealthSun Health Plans Provider and Pharmacy Directory at the time of enrollment to help you select the PCP of your choice. The PCP you choose will be listed on your enrollment form. You can change your PCP at any time. If you want to use a particular HealthSun Health Plans specialist or hospital, you should check with your PCP to make sure they can make referrals to the specialist or hospital. The name and office telephone number of your PCP is printed on your membership card.

How to change your PCP?

You may change your PCP for any reason, at any time. The change will typically take effect on the first day of the following month. To change your PCP, please call our Member Service Department, phone numbers are printed on the front and back covers. When you call, be sure to tell us if you are seeing a specialist or getting other covered services that need your current PCP's approval (such as home health services and durable medical equipment). Member Services will help make sure that you can continue with the specialty care or other services you have been getting when you change to a new PCP. Member Services will change your membership record to show the name of your new PCP and will tell you when the change to your new PCP will take effect. They will also send you a new membership card that shows the name and phone number of your new PCP.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Referrals for Specialist Physician Services

In most situations, your network PCP OR our plan must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral." Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without having approval in advance from your PCP. For more information about referrals, see your Evidence of Coverage, Chapter 3, Section 1.2.

A specialist physician is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are oncologists, who treat cancer; cardiologists, who treat heart conditions; and orthopedists, who treat certain bone, joint, or muscle conditions. For some types of referrals to see a plan specialist, your PCP may need to get approval ahead of time from HealthSun Health Plans. This is called "prior authorization". For more information about this process, see your Evidence of Coverage, Chapter 3, Section 2.3.

It is very important to get a referral from your PCP before you see a plan specialist physician. If you do not have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included. However, you don't need to get a referral for certain services. For more information on which services require a referral, see your Evidence of Coverage, Chapter 4 Medical Benefits Chart.

Each plan PCP may have certain plan specialists they use for referrals. This means that the plan specialist you want to see may depend on which doctor you choose to be your PCP. If there is a specific specialist physician that you want to see, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if your doctor cannot refer you to see the specialist physician of your choice or the hospital that you want to visit. Other providers are available in our network.

What if your doctor or provider leaves HealthSun Health Plans?

Sometimes a PCP, specialist, clinic, or other network provider you are using might leave the plan. If this happens, you will have to switch to another provider who is part of HealthSun Health Plans. If your PCP leaves HealthSun Health Plans, we will let you know and help you switch to another PCP so that you can continue getting covered services.

Out-of-network Coverage

If an out-of-network provider sends you a bill, you should not pay the bill. You should send us the bill first, or if you already paid for the services you should send us your receipt or other documentation of payment. We will review the bill and decide if we are responsible to pay for the out-of-network services. For assistance and additional information please contact our Member Service Department, phone numbers are printed on the front and back covers.

You may get covered emergency medical care and urgent care services with out-of-network providers anywhere in the United States and worldwide. A “medical emergency” is when you believe that you have medical symptoms that require immediate medical attention. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse. If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP. An “Urgently needed service” is a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care.

Both emergency and urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible. Out-of-network providers are providers that are not contracted with HealthSun Health Plans. You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible, we will cover urgently needed services and emergency care that you get from an out-of-network provider.

Getting care if you have a medical emergency or an urgently needed service

When you are outside the service area (or outside the United States) and cannot get care from a network provider, our plan will cover urgently needed services and emergency room services that you get from any provider, including maintenance and hospital care after you are stable (known as post-stabilization care), ambulance services, renal dialysis (kidney disease), and any other services approved in advance by HealthSun Health Plans.

Your PCP will help manage and follow-up on your emergency care:

It is important to know that every emergency has two stages. When the doctors, or hospitals providing emergency care consider your condition stable, the first stage of the medical emergency ends. However, even after your condition is stabilized, you are still considered in an emergency situation and HealthSun Health Plan must still pay for the post-stabilization treatment provided by the hospital (whether or not this hospital is a network provider or not). This second stage of the emergency, after your condition is stabilized is called “post-stabilization”.

As soon as possible, you or someone else should contact your PCP about your emergency. Your PCP needs to know about your emergency because your PCP will provide followup care. Please try to contact your PCP about your emergency within 48 hours. Your PCP's telephone numbers is on your member ID card or call our Member Services Department at the number shown on the first page and in the back cover of this directory.

Generally, the hospital, or doctors, providing emergency care will try to talk to your PCP. This helps the plan to arrange for network providers to take over your care as soon as your condition and circumstances get better. Once your PCP takes over your care or agrees with the attending hospital on an appropriate course of action (or once you are discharged if you are fully recovered), you are no longer in an emergency or post-stabilization situation.

Although you are past the emergency and post-stabilization, you may still need follow-up care. However, your plan is responsible for your follow-up care. Your plan will only pay for any care after the emergency and post-stabilization if you follow the plan rules. You will need to use network providers to get authorization, and/or referrals for the follow-up care.

What if it wasn't really a medical emergency?

To have your plan pay for your emergency care, you do not have to be certain that it is an emergency. For example, you might go in for emergency care thinking that your health is in serious danger-but the doctor may disagree and not consider this a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong, (provided that you thought your health was in serious danger, as explained in the section "What is a medical emergency" above). However, please note that:

- If you get any extra care after the doctor says it was not a medical emergency, we will pay our portion of the extra covered care only if you got this care from a network provider.
- If you get any extra care from an out-of-network provider after the doctor says it was not a medical emergency, we will still pay for it as "urgently needed services" even though you got this care "outside your service area". Please read below how "urgently needed services" is defined.
- However, if you get any extra care from an out-of-network provider that is not an emergency or "urgently needed services", then you must pay for this care yourself. The plan won't pay for this type of care.

Getting urgently needed services when you are in the plan's service area

If you have a sudden illness or injury that is not a medical emergency, and you are in the plan's service area, please call your PCP or if the office is closed, call your PCP's after-hours service. There will be directions that will allow you to get in contact with your PCP. If you need TTY access to your primary care physician, TTY users please call 1 (877) 206-0500. You may go directly to an emergency room without calling your PCP. There will always be a health professional on call to help you. Keep in mind that if you have an urgent need for service while you are in the plan's service area, you should get this care from network providers. In most cases, we will not pay for urgently needed services that you get from an out-of-network provider while you are in the plan's service area.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor HealthSun Health Plans will be responsible for the costs.

For further information, please refer to the Plan's Evidence of Coverage or please contact our Member Service Department, phone numbers are printed in the first page and in the back of this directory.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.HealthSun.com. You may also call Member Services for updated pharmacy provider information.

This directory provides a list of HealthSun Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthSun Health Plans' formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under HealthSun Health Plans only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 2017. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with an asterisk (*) symbol to distinguish them from other pharmacies in our network that offer standard cost-sharing." Note: Preferred cost-sharing may not be offered your Plan. See your Evidence of Coverage, Chapter 5 and 6, or call us to confirm if your plan offers preferred cost-sharing.

Prescription Drugs for home infusion therapy must be covered under our formulary or approved by HealthSun Health Plans and your prescription must be written by an authorized prescriber. You can find information on our network home infusion pharmacies in this directory.

Residents of a long-term care facility may access their prescription drugs covered under HealthSun Health Plans through the facility's long-term care pharmacy or another network long-term care pharmacy.

If you have questions about any of the above, including instructions on how to submit claims for prescriptions that you had to fill at an out-of-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

Sección 1 – Introducción

Este directorio ofrece una lista de los proveedores de la red de HealthSun Health Plans. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura.

Los miembros deben utilizar este directorio al seleccionar un proveedor de la red del que quieren recibir servicios. Hay ciertos proveedores especializados que requieren una referencia de su médico de atención primaria. Este directorio también incluye información básica sobre cómo obtener servicios cubiertos con HealthSun Health Plans. Consulte la Evidencia de Cobertura, Capítulo 3 y Capítulo 4 para obtener una descripción completa de los servicios.

Usted tendrá que elegir a uno de nuestros proveedores de la red que se enumeran en este directorio para que sea su Médico de Atención Primaria (PCP). Por lo general, usted debe obtener sus servicios de atención primaria de su PCP.

Elegir a su médico de atención primaria (PCP)

¿Qué es un médico de atención primaria (PCP)?

Cuando usted se convierte en un miembro de HealthSun Health Plans debe elegir un proveedor de la red para que sea su médico de atención primaria (PCP). Su PCP es un médico que cumple con los requisitos del estado y está capacitado para brindarle atención médica básica. Recibirá su atención rutinaria o básica de su PCP. Su PCP también puede coordinar el resto de los servicios cubiertos que necesita. En la mayoría de los casos, debe consultar con su PCP para obtener una referencia antes de ver a otro proveedor de atención médica. Para obtener más información sobre los PCP y referencias, consulte su Evidencia de Cobertura en el Capítulo 3.

Como obtener atención de su PCP

Normalmente, usted ve primero a su PCP para la mayoría de sus necesidades de atención médica de rutina. Solo hay algunos tipos de servicios cubiertos que puede obtener por su cuenta, sin ver primero a su PCP. Su PCP también puede ayudarle a organizar o coordinar sus servicios cubiertos. Estos servicios incluyen radiografías, pruebas de laboratorio, terapias, especialistas, hospitalizaciones y atención de seguimiento. Su PCP también contacta a otros proveedores del plan para recibir actualizaciones sobre su cuidado y/o tratamiento. En algunos casos, su PCP necesitara obtener autorización previa (aprobación previa) para que usted pueda obtener servicios. Dado que su PCP proporcionara y coordinara su atención médica, usted debe enviar todos sus expedientes médicos pasados a la oficina de su nuevo PCP. La ley nos obliga a proteger su privacidad de sus registros médicos y de su información personal de salud. Para obtener más información sobre la privacidad, consulte su Evidencia de Cobertura.

¿Cómo elige un PCP?

Recibirá un directorio de proveedores y farmacias de HealthSun Health Plans en el momento de la inscripción para ayudarle a seleccionar el PCP de su elección. El PCP que elija aparecerá en su formulario de inscripción. Usted puede cambiar su PCP en cualquier momento. Si usted desea utilizar un especialista u hospital en particular de HealthSun Health Plans, usted debe consultar con su PCP para asegurarse que puede hacer referencias al especialista u hospital. El nombre y el número de teléfono de su PCP están impresos en su tarjeta de membresía.

¿Cómo cambiar su PCP?

Usted puede cambiar su PCP por cualquier motivo, en cualquier momento. El cambio normalmente tendrá efecto el primer día del mes siguiente. Para cambiar su PCP, por favor llame a nuestro Departamento de Servicios para los Miembros, los números de teléfono están impresos en la portada y la contraportada. Cuando llame, asegúrese de decirnos si está viendo a un especialista o si está recibiendo otros servicios cubiertos que necesitan la aprobación de su PCP actual (como servicios de salud en el hogar y equipo médico duradero). Servicios para los Miembros le ayudara a asegurarse de que usted pueda continuar con el cuidado especializado u otros servicios que ha estado recibiendo cuando cambie a un nuevo PCP. Servicios para los miembros cambiara su registro de membresía para mostrar el nombre de su nuevo PCP y le informara cuando el cambio de su nuevo PCP se haga efectivo. También le enviaran una nueva tarjeta de membresía que muestra el nombre y el número de teléfono de su nuevo PCP. Los proveedores de la red que aparecen en este directorio han acordado proporcionarle su atención médica, visión y servicios dentales. Puede dirigirse a cualquiera de nuestros proveedores de la red que aparecen en este directorio; sin embargo, algunos servicios pueden requerir una referencia.

Referidos para servicios de un especialista

En la mayoría de las situaciones, su PCP de la red o nuestro plan debe darle aprobación por adelantado antes de que pueda utilizar otros proveedores de la red del plan, tales como especialistas, hospitales, centros de enfermería especializada o agencias de cuidado de salud en el hogar. Esto se llama darle una "referencia". Las referencias de su PCP no son necesarias para la atención de emergencia o los servicios de urgencia. También hay otros tipos de atención que puede obtener sin tener la aprobación previa de su PCP. Para obtener más información sobre referencias, consulte su Evidencia de Cobertura, Capítulo 3, Sección 1.2.

Un médico especialista es un médico que proporciona servicios de atención médica para una enfermedad o parte del cuerpo específica. Algunos ejemplos de especialistas son los oncólogos, que tratan el cáncer; cardiólogos, que tratan enfermedades del corazón; y los ortopédicos, que tratan ciertas condiciones de los huesos, articulaciones o músculos. Para algunos tipos de referencias para ver a un especialista del plan, su PCP puede necesitar aprobación antes de tiempo de HealthSun Health Plans. Esto se llama "autorización previa". Para obtener más información sobre este proceso, consulte su Evidencia de Cobertura, Capítulo 3, Sección 2.3.

Es muy importante obtener una referencia de su PCP antes de ver a un médico especialista del plan. Si no tiene una referencia antes de recibir servicios de un especialista, puede que tenga que pagar por estos servicios usted mismo. Si el especialista quiere que regrese para visitas de seguimiento, asegúrese de revisar la referencia original para ver si estos fueron incluidos. Sin embargo, no necesita obtener una referencia para ciertos servicios. Para obtener más información sobre los servicios que requiere una referencia, consulte la tabla de beneficios médicos de su Evidencia de Cobertura, Capítulo 4.

Cada PCP del plan puede tener ciertos especialistas del plan que usan para referencias. Esto significa que el especialista del plan que desea ver puede depender del médico que elija para que sea su PCP. Si hay un médico especialista específico que desea ver, averigüe si su PCP refiere sus pacientes a estos especialistas. Usted puede cambiar su PCP en cualquier momento si su médico no puede referirlo para ver al médico especialista de su elección o al hospital que desea visitar. Otros proveedores están disponibles en nuestra red.

¿Qué sucede si su médico o proveedor deja HealthSun Health Plans?

A veces, un PCP, un especialista, una clínica u otro proveedor de la red que esté usando podrían dejar el plan. Si esto sucede, tendrá que cambiar a otro proveedor que sea parte de HealthSun Health Plans. Si su PCP deja HealthSun Health Plans, le informaremos y le ayudaremos a cambiar a otro PCP para que pueda continuar recibiendo los servicios cubiertos.

Cobertura Fuera de la Red

Si un proveedor fuera de la red le envía una factura, no debe pagar la factura. Debe enviarnos primero la factura o, si ya pagó por los servicios, debe enviarnos su recibo u otra documentación de pago. Revisaremos la factura y decidiremos si somos responsables de pagar por los servicios fuera de la red. Para obtener ayuda e información adicional póngase en contacto con nuestro Departamento de Servicios para los Miembros, los números de teléfono están impresos en la portada y en la contraportada.

Usted puede recibir atención médica de emergencia y servicios de atención de urgencia cubiertos con proveedores fuera de la red en cualquier lugar de los Estados Unidos y en todo el mundo. Una "emergencia médica" es cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata. Los síntomas médicos pueden ser una enfermedad, lesión, dolor intenso o una condición médica que empeora rápidamente. Si tiene una emergencia médica, obtenga ayuda lo más rápido posible. Llame al 911 para pedir ayuda o vaya a la sala de emergencias o al hospital más cercano. Llame a una ambulancia si la necesita. Usted no necesita obtener la aprobación o una referencia primero de su PCP. Un "servicio de urgencia" no es una emergencia, enfermedad médica imprevista, lesión o condición que requiere atención médica inmediata.

Tanto emergencias como los servicios de urgencia pueden ser proporcionados por proveedores de la red o por proveedores fuera de la red cuando los proveedores de la red no están disponibles temporalmente o están inaccesibles. Los proveedores fuera de la red son proveedores que no están contratados con HealthSun Health Plans. Usted siempre debe tratar de obtener servicios de urgencia de los proveedores de la red. Sin embargo, si los proveedores no están disponibles temporalmente o están inaccesibles, cubriremos los servicios de urgencia y la atención de emergencia que recibe de un proveedor fuera de la red.

Cómo obtener atención médica si tiene una emergencia médica o un servicio urgente

Cuando está fuera del área de servicio (o fuera de los Estados Unidos) y no puede obtener atención de un proveedor de la red, nuestro plan cubrirá los servicios de urgencia y los servicios de la sala de emergencia que usted reciba de cualquier proveedor, incluyendo el mantenimiento y el cuidado hospitalario después de que usted esté estable (conocido como cuidado post-estabilización), servicios de ambulancia, diálisis renal (enfermedad renal) y cualquier otro servicio aprobado por adelantado **por HealthSun Health Plans.**

Su PCP le ayudará a administrar y hacer un seguimiento de su cuidado de emergencia:

Es importante saber que cada emergencia tiene dos etapas. Cuando los médicos, o los hospitales que prestan atención de emergencia consideran que su condición es estable, la primera etapa de la emergencia médica termina.

Sin embargo, incluso después de que su condición se estabilice, todavía se considera en una situación de emergencia y HealthSun Health Plan debe pagar el tratamiento post-estabilización proporcionado por el hospital (sea o no este hospital un proveedor de la red). Esta segunda etapa de emergencia, después de que su condición se estabiliza se llama "post-estabilización".

Tan pronto como sea posible, usted o alguien más debe comunicarse con su PCP acerca de su emergencia. Su PCP necesita saber acerca de su emergencia porque su PCP le proporcionará cuidado de seguimiento. Por favor trate de comunicarse con su PCP acerca de su emergencia en un plazo de 48 horas. Los números de teléfono de su PCP están en su tarjeta de identificación de miembro o llame a nuestro Departamento de Servicios para los Miembros al número que se encuentra en la primera página y en la contraportada de este directorio.

Generalmente, el hospital, o los médicos, que brindan atención de emergencia, tratarán de hablar con su PCP. Esto ayuda al plan a organizar que los proveedores de la red se hagan cargo de su atención tan pronto como su condición y circunstancias mejoren. Una vez que su PCP asuma su cuidado o esté de acuerdo con el hospital que lo atiende en un curso de acción apropiado (o una vez que se le da de alta si está completamente recuperado), ya no se encuentra en una situación de emergencia o post-estabilización.

Aunque ya pasó la emergencia y después de la estabilización, es posible que todavía necesite cuidado de seguimiento. Sin embargo, su plan es responsable de su cuidado de seguimiento. Su plan sólo pagará por cualquier cuidado después de la emergencia y después de la estabilización si usted sigue las reglas del plan. Usted necesitará usar los proveedores de la red para obtener autorización y / o referencias para el cuidado de seguimiento.

¿Y si no fuera realmente una emergencia médica?

Para que su plan pague por su cuidado de emergencia, usted no tiene que estar seguro de que se trate de una emergencia. Por ejemplo, usted podría ir en busca de cuidado de emergencia pensando que su salud está en grave peligro, pero el médico puede estar en desacuerdo y no considerar esto una emergencia médica. Si esto pasa, usted todavía está cubierto para el tratamiento de diagnóstico y la atención que recibió para determinar lo que estaba mal, (siempre y cuando usted pensaba que su salud estaba en grave peligro, como se explica en la sección de arriba "Qué es una emergencia médica"). Sin embargo, tenga en cuenta que:

- Si recibe algún cuidado extra después de que el médico indique que no fue una emergencia médica, pagaremos nuestra porción del cuidado cubierto adicional solamente si usted recibió este cuidado de un proveedor de la red.
- Si recibe atención extra de un proveedor fuera de la red después de que el médico diga que no fue una emergencia médica, todavía lo pagaremos como "servicios de urgencia", aunque usted recibió este cuidado "fuera de su área de servicio". Lea a continuación cómo se definen los "servicios de urgencia".
- Sin embargo, si recibe algún cuidado adicional de un proveedor fuera de la red que no sea una emergencia o "servicios de urgencia", entonces usted mismo debe pagar por este cuidado. El plan no pagará por este tipo de cuidado.

Obtener servicios de urgencia cuando esté en el área de servicio del plan

Si usted tiene una enfermedad repentina o lesión que no es una emergencia médica, y usted está en el área de servicio del plan, llame a su PCP o si la oficina está cerrada, llame al servicio fuera de horas de su PCP. Habrá instrucciones que le permitirán ponerse en contacto con su PCP. Si necesita el acceso TTY de su médico de atención primaria, los usuarios de TTY pueden llamar al 1 (877) 206-0500. Puede ir directamente a una sala de emergencias sin llamar a su PCP. Siempre habrá un profesional de la salud en llamada para ayudarle. Tenga en cuenta que si usted tiene una necesidad urgente de servicio mientras está en el área de servicio del plan, usted debe obtener este cuidado de los proveedores de la red. En la mayoría de los casos, no pagaremos los servicios de urgencia que obtenga de un proveedor fuera de la red mientras esté en el área de servicio del plan.

Usted debe usar los proveedores de la red excepto en situaciones de emergencia o situaciones de urgencia o para diálisis renal fuera del área u otros servicios. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni HealthSun Health Plans serán responsables de los costos.

Para más información, por favor consulte la Evidencia de Cobertura del Plan o comuníquese con nuestro Departamento de Servicios para los Miembros, los números de teléfono se imprimen en la primera página y en la parte posterior de este directorio.

Introducción a la información sobre Farmacias

Este Directorio de farmacias se actualizó 09/20/2017. Para obtener información más reciente o si tiene otras preguntas, comuníquese con el Departamento de Servicios al Miembro de HealthSun Health Plans al (305) 447-4458 o al 1 (877) 336-2069. Usuarios de TTY deben llamar al 1 (877) 206-0500. Nuestro horario de operación desde el 1 de octubre al 14 de febrero son 7 días de la semana de 8am a 8 pm. A partir del 15 de febrero hasta el 30 de septiembre, estamos disponible lunes a viernes de 8am a 8pm. O visite www.HealthSun.com.

Se pueden producir cambios en nuestra red de farmacias durante el año de beneficios. En nuestro sitio web www.HealthSun.com se encuentra disponible un Directorio de farmacias actualizado. Para obtener información actualizada sobre los proveedores, también puede llamar a Servicios para los miembros.

Este folleto ofrece una lista de las farmacias de la red de HealthSun Health Plans. Si desea una descripción completa de su cobertura para medicamentos con receta y cómo obtenerlos, consulte la Evidencia de cobertura y el Formulario de HealthSun Health Plans.

Las farmacias que figuran en esta lista son las "farmacias de la red", ya que hemos acordado con ellas el suministro de medicamentos con receta para los miembros del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por HealthSun Health Plans solo si los obtiene en una farmacia de la red. Una vez que acuda a una farmacia, no es necesario que continúe acudiendo a la misma farmacia para obtener su medicamento con receta, sino que puede cambiar a cualquiera de nuestras farmacias de la red. Puede obtener sus medicamentos con receta en farmacias fuera de la red solo en ciertas circunstancias contempladas en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red se encuentren en este directorio. Tal vez se hayan agregado o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto quiere decir que es posible que las farmacias enumeradas aquí ya no sean parte de nuestra red, o que puede haber farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está vigente a partir del 2017 de septiembre. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la portada posterior.

Puede ir a todas las farmacias de esta lista, pero sus costos para algunos medicamentos pueden ser menores en las farmacias de esta lista que ofrecen un costo compartido preferido. Estas farmacias están indicadas con un asterisco (*) para distinguirlas de otras farmacias de nuestra red que ofrecen un costo compartido estándar. Nota: puede ser que su plan no ofrece costo compartido preferido. Refiera a su Evidencia de Cobertura, Capítulo 5 y 6, o llama nuestro plan para confirmar si tu plan ofrece costo compartido preferido.

Los medicamentos recetados para terapia de infusión en el hogar deben estar cubiertos bajo nuestro formulario o aprobados por HealthSun Health Plans y su receta debe ser escrita por un prescriptor autorizado. Puede encontrar información sobre nuestras farmacias de infusión en la red en este directorio.

Los residentes de un centro de atención a largo plazo pueden obtener sus medicamentos con receta cubiertos por HealthSun Health Plans a través de la farmacia de atención a largo plazo del centro u otra farmacia de la red para atención a largo plazo.

Si tiene alguna pregunta sobre lo anterior, consulte la primera y última página de portada de este Directorio para obtener información sobre cómo comunicarse con HealthSun Health Plans.
